Sinergy Muscles in on the Claims Expo

Sinergy Medical Reports, leading provider of independent medical reports will give you the opportunity to test your strength using Blankenship Functional Capacity Evaluation equipment at the Australasian Claims Expo, 22-23 September, The Hilton Hotel Sydney.

Australia's foremost experts in this technology, Tony Mitchell, Physiotherapist and Blanch Kaeries, Occupational Therapist, boast it is the only truly objective measuring device of 'capacity and willingness' in 'real time' through the use of a variety of load cells, dynamometers and inclinometers.

After *'A Hard Days Night'* don't forget to visit Sinergy's booth for a Berocca to give you back your b b bounce.

Dr Angus Gray Takes the Pain out of Back Injuries

ANZIIF Claims Discussion Group have again asked Dr Angus Gray to talk about Back & Neck Injuries on Tuesday 27 September, Henry Davis York Solicitors, L20, 44 Martin Place Sydney at 12.30pm.

Dr Angus Gray MBBS, FRACS is a Specialist Spine and Paediatric Surgeon in private practice in Sydney and is also Head of Department Paediatric Orthopaedics at Sydney Children's Hospital, Co-joint lecturer at the University of NSW, and most recently recognised for correcting severe spinal deformity of a boy from Solomon Islands.

Dr Angus Gray, an engaging speaker will initially be covering anatomy and then onto common back problems including back sprains, fibromyalgia, disc abnormalities, sciatica, spinal fusions, whiplash, pain – non organic pain and chronic pain.

Please contact Sinergy if you would like to attend.

If you have any training needs or events you would like Sinergy to be involved in please contact 1300 304 144. Sinergy also books independent medical examinations and related services all year round.
